**BEFORE THE MISSISSIPPI BOARD OF EXAMINERS
FOR LICENSED PROFESSIONAL COUNSELORS**

**IN THE MATTER OF
VICTORIA WILSON, LPC**

CAUSE NO. 2017-21

AGREED ORDER

This matter having come before the Mississippi State Board of Examiners for Professional Counselors (“Board”), concerning the entry of an Agreed Order for the purpose of settling a disciplinary proceeding pending before the Board.

Having considered the matter, the parties by consent, enter this Agreed Order and make the following Findings of Fact and Conclusions of Law, to-wit:

1.

[PARTIES]

The parties to this action are:

- a) The Mississippi State Board of Examiners for Licensed Professional Counselors (“Board”), which is a duly constituted Board existing within the executive branch of the government of the State of Mississippi. Its main executive offices are located at 239 North Lamar Street, Suite 402, Robert E. Lee Building, Jackson, MS 39201.
- b) Victoria Wilson, Licensee Number 2071 and the Respondent to this action, whose mailing address is 5433 Diamondhead Drive East Diamondhead, MS 39525.

2.

[AUTHORITY]

MISSISSIPPI
STATE BOARD OF EXAMINERS
FOR LICENSED PROFESSIONAL COUNSELORS

That Board is charged by law with the responsibility of licensing and regulating the practice of counseling in the State of Mississippi and with the protection of the public pursuant to Section 73-30-1, *et seq.*, Miss. Code Ann. (1972), as amended.

3.

[ALLEGATIONS]

Victoria Wilson, LPC provided counseling to an individual through a distance counseling medium to an individual in Mississippi, who initially sought treatment for an impulse related issue. The client received treatment, but the issues were of greater and deeper concern than originally listed. Ms. Wilson provided care; however, the individual's spouse filed a complaint with the Board. The Board reviewed the complaint and the counseling information and sent an inquiry to Ms. Wilson regarding potential issues. In reviewing the responses, the Board has additional concerns and has alleged that Respondent has violated A.4.a Avoiding Harm, H.1.a Knowledge and Competency, and H.4.b Professional boundaries in distance counseling of the 2014 ACA Code Ethics.

4.

[FINDINGS OF FACT]

The Respondent provided Distance Professional Services through the BetterHelp.com website. The Respondent primarily used the text-messaging platform provided by BetterHelp.com. It was determined that the lack of training led to the Respondent not establishing an emergency plan for the client and not maintaining clear boundaries in the counseling process.

5.

[STIPULATED DISPOSITION]

There is now pending before the Board certain allegations of unethical conduct that if established before the Board in a due process hearing pursuant to Section 73-30-21 of the Miss. Code of 1972 as amended, would constitute violation of the Board's Rules, Regulations and Rules of Ethics, specifically the 2014 ACA Code of Ethics Sections A.4.a, H.1.a., and H.4.b., for which the Board may suspend or revoke the license of the Respondent, issue a reprimand, or take any other action as the Board deems necessary.

Respondent agrees and consents that the following disposition is just and appropriate under the circumstances.

- a. Respondent's LPC license remains in good standing.
- b. While under supervision, the Respondent will complete training to provide Distance Professional Services and upon completion register the credential with the board. The Respondent shall receive at least ten (10) hours of individual face to face supervision from a Mississippi LPC-S (as set forth in Rule 4.3 of the Rules and Regulations), who is credentialed to provide Distance Professional Services. Prior to supervision, the LPC-S will need to be approved by the investigating board member. No more than one (1) hour of supervision per week may be obtained. The supervision shall be logged via the LPC Board's web portal.
- c. Respondent complete three (3) additional Continuing Education Hours in professional relationships/boundaries. This should be a class, seminar, or webcast (online or face to face). The CEH shall be approved by the investigating board member prior to attendance by the LPC.
- d. Respondent shall complete the supervision and CEH hours of the Agreed Order within one (1) year of the signing of this Order. Respondent shall notify the investigating board

member of the completion of (b) and (c) above. In the event that the Respondent does not complete (b) and (c) within one (1) year of signing this order, Respondent's LPC license shall be suspended until completion of (b) and (c) and will require Board approval prior to the license being reinstated.

6.

[RIGHTS]

Respondent has had the opportunity at all times to seek advice of competent counsel of choice. No coercion has been exerted upon the Respondent, nor have any promises been made other than those referenced in the Agreement.

Should this Agreed Order not be accepted by the Board, Respondent agrees that the presentation to and consideration of the Agreed Order shall not unfairly or illegally prejudice the Board or any of its members from further participation in or resolution of these proceedings, including serving as arbiter in any hearing regarding the Respondent by having considered this matter. Similarly, if this Agreed Order is not accepted Respondent will be free to defend herself in a formal hearing before the Board and no admissions or inferences will be made from Respondent's willingness to have entered into this Agreed Order.
