

**BEFORE THE MISSISSIPPI STATE BOARD OF EXAMINERS FOR
LICENSED PROFESSIONAL COUNSELORS**

In the Matter of:

MELVIN LOGAN,

Applicant

No. 2019-02

FINAL ORDER

THIS MATTER came before the Mississippi State Board of Examiners for Licensed Professional Counselors (“Board”) on February 28, 2020, to determine whether the application of Melvin Logan (“Applicant”) for licensure as a Licensed Professional Counselor should be granted. Board Member Richard Strebeck, Ph.D., LPC-S, NCC, CSAT recused himself and did not participate in the Board’s consideration and deliberation in this matter. A quorum of the remaining Board members was present throughout the hearing and deliberation in the matter.

Ken Walley, Legal Counsel for the Board, presented the charges regarding the application for licensure. Applicant, having been properly served, called on the day of the hearing and being fully informed of his rights to a hearing before the Board, did not appear at the hearing in person or through an attorney. The case was called for hearing without objection from any party.

Gloria J. Green served as Administrative Hearing Officer, presided at the hearing and was directed to prepare the Board’s written decision in accordance with its deliberation. Having conducted the hearing in this matter, and based upon the exhibits, testimony and the evidence presented, the Board makes the following findings, conclusions and order based on clear and convincing evidence:

FINDINGS OF FACT

1. The Board is established pursuant to Title 73, Chapter 30 of the Mississippi Code of 1972, as amended, and is charged with the duty of licensing and regulating the practice of Licensed Professional Counselors in the State of Mississippi.

2. On or about August 3, 2018, the Applicant filed a completed Licensed Professional Counselor (“LPC”) application with the Board. The application was denied because of a determination that Applicant’s Master of Science in Adult Continuing Education with a major in Counseling/Psychology did not meet the education requirements. Applicant appealed the denial and the matter is now before the Board on appeal.

3. The Applicant was properly served with the notice of the time, place and nature of the proceedings to be held before the Board.

4. Section 73-30-9 of the Mississippi Code of 1972, as amended,¹ lists the eligibility requirements for LPC licensure. The list includes, among other things, proof that the applicant has “a minimum acceptable graduate semester hour or acceptable quarter-hour master’s degree ... primarily in counseling or related counseling field from a regionally or nationally accredited college or university program in counselor education or a related counseling program” as required by the Board. According to the Board’s Rules and Regulations at 30 Miss. Admin. Code Pt. 2201, R. 4(C), the minimum acceptable hours are sixty (60) semester hours or ninety (90) quarter hours of graduate study.

5. The record reveals the following facts regarding upon which Applicant’s application was denied:

Educational Requirements: As per the University of West Alabama website: M.S. Adult Continuing Education: Counseling and Psychology – The program does not prepare graduates for licensure. The program is designed for: Individuals seeking to expand their knowledge of counseling psychology. Individuals who do not plan on immediately pursuing licensing as a licensed professional counselor. Individuals who are already licensed in a related field, such as licensed marriage and family counselors.

Transcript. Mississippi evidence of 60 acceptable semester hours of graduate coursework as well as missing evidence of coursework in Testing & Appraisal, Professional Orientation to Counseling or Ethics, and Marriage &/or Family Counseling/Therapy.

Based upon the foregoing Findings of Fact, the Board makes the following:

CONCLUSION OF LAW

1. The Board has jurisdiction of this matter pursuant to Sections 73-30-7 and 73-30-11. Venue is likewise properly placed before the Board to hear this matter in Jackson, Hinds County, Mississippi.

2. This matter was duly and properly convened and all substantive and procedural requirements under law have been satisfied.

3. Section 73-30-7 authorizes the Board to adopt such rules and regulations as it finds necessary to conduct the business of the Board and to carry out its licensure and regulatory functions.

4. Section 73-30-9 provides that an applicant must furnish the Board with satisfactory evidence that he or she meets the requirements for licensure.

¹ Unless indicated otherwise, all statutory references are to the Mississippi Code of 1972, as amended.

5. By clear and convincing evidence, the Board finds that the Applicant has failed to demonstrate that he meets the education requirements necessary for a LPC license established by Section 73-30-9(f) and 30 Miss. Admin. Code Pt. 2201, R. 4.2(C).

Given the entire evidence produced in the record, the Board issues the following order:
