

**BEFORE THE MISSISSIPPI STATE BOARD OF EXAMINERS FOR
LICENSED PROFESSIONAL COUNSELORS**

In the Matter of:

GENIKA N. McGEE,

Applicant

No. 2019-22

FINAL ORDER

THIS MATTER came before the Mississippi State Board of Examiners for Licensed Professional Counselors (“Board”) on February 28, 2020, to determine whether the application of Genika N. McGee (“Applicant”) for license as a Provisional Licensed Professional Counselor should be granted. Board Member Richard Strebeck, Ph.D., LPC-S, NCC, CSAT recused himself and did not participate in the Board’s consideration and deliberation in this matter. A quorum of the remaining Board members was present throughout the hearing and deliberation in the matter.

Ken Walley, Legal Counsel for the Board, presented the charges regarding the application for licensure. Applicant, having been served with notice of these proceedings and being fully informed of her rights to a formal hearing before the Board, elected to proceed in the matter and to represent herself. The case was called for hearing without objection from any party.

Gloria J. Green served as Administrative Hearing Officer, presided at the hearing and was directed to prepare the Board’s written decision in accordance with its deliberation. Having conducted the hearing in this matter, and based upon the exhibits, testimony and the evidence presented, the Board makes the following findings, conclusions and order based on clear and convincing evidence:

FINDINGS OF FACT

1. The Board is established pursuant to Title 73, Chapter 30 of the Mississippi Code of 1972, as amended, and is charged with the duty of licensing and regulating the practice of Licensed Professional Counselors in the State of Mississippi.

2. On or about September 26, 2018, Applicant filed a Provisional Licensed Professional Counselor (“P-LPC”) application with the Board. The application was denied because of a determination that Applicant did not meet the education requirements. Applicant appealed the denial and the matter is now before the Board on appeal.

3. Applicant was properly served with notice of the time, place and nature of the proceedings to be held before the Board.

4. Section 73-30-9 of the Mississippi Code of 1972, as amended,¹ lists the eligibility requirements for P-LPC licensure. The list includes, among other things, proof that the applicant has “a minimum acceptable graduate semester hour or acceptable quarter-hour master's degree ... primarily in counseling or related counseling field from a regionally or nationally accredited college or university program in counselor education or a related counseling program” as required by the Board. [Section 73-30-9 (1) (f)]. According to the Board’s Rules and Regulations at 30 Miss. Admin. Code Pt. 2201, R. 4(C), the minimum acceptable hours are sixty (60) semester hours or ninety (90) quarter hours of graduate study.

5. Applicant appeared before the Board with her post-graduate supervisor, who testified in support of her application for P-LPC licensure. They submitted that Applicant met the education requirements based on Section 73-30-9 when it stated that “[p]ersons applying for licensure with a master's degree of less than sixty (60) semester hours or ninety (90) quarter hours may complete the additional coursework required without earning an additional degree, provided the coursework is in a regionally or nationally accredited college or university program in counseling or a related field”.

6. Applicant received a Master of Science in Adult Continuing Education (“ACE”) Counseling/Psychology from the University of West Alabama on July 24, 2014. This degree did not include sixty (60) semester hours or ninety (90) quarter hours. Applicant argued, however, that she acquired the additional hours on October 6, 2017 when she received a Master of Science in (ACE) Continuing Education.

7. 30 Miss. Admin. Code Pt. 2201, R. 4(C) also provides that:

For degrees conferred after January 1, 2017, the Board will only accept sixty (60) semester hours or ninety (90) quarter-hour master’s degree programs. Those programs shall be either CACREP² degree programs or degree programs with the word counseling in its title and meet the structure of CACREP as it specifically pertains to the twelve (12) courses specified, as part of sixty (60) semester hours or ninety (90) quarter hours that are required for completion of the degree or having earned a doctoral or educational specialist degree primarily in a counseling, guidance, or related field, which meets similar standards as specified above.

8. The evidence of record reveals that Applicant’s 2014 Master of Science did not include a practicum or internship and did not meet the educational requirements for licensure. Her 2017 Master of Science was obtained after January 1, 2017. It is not a qualifying degree for P-LPC licensure because it is not a CACREP degree program nor does it meet the planned structure of a CACREP program as required by Board Rule 4.2 (C).

¹ Unless indicated otherwise, all statutory references are to the Mississippi Code of 1972, as amended.

² Council for Accreditation of Counseling and Related Educational Programs.

9. Further, in describing its Master of Science in Adult Continuing Education Program, the University of West Alabama website explains that: “The program does not prepare graduates for licensure. The program is designed for persons who seek to expand their knowledge of counseling psychology, do not plan to immediately pursue licensure as a LPC and/or are already licensed in a related field.”

10. Lastly, Applicant’s official transcript from her education institute does not show evidence of sixty (60) semester hours or ninety (90) quarter hours of acceptable graduate course work.

Based upon the foregoing Findings of Fact, the Board makes the following:

CONCLUSION OF LAW

1. The Board has jurisdiction of this matter pursuant to Sections 73-30-7 and 73-30-11. Venue is likewise properly placed before the Board to hear this matter in Jackson, Hinds County, Mississippi.

2. This matter was duly and properly convened and all substantive and procedural requirements under law have been satisfied.

3. Section 73-30-7 authorizes the Board to adopt such rules and regulations as it finds necessary to conduct the business of the Board and to carry out its licensure and regulatory functions.

4. Section 73-30-9 provides that an applicant must furnish the Board with satisfactory evidence that he or she meets the requirements for licensure.

5. By clear and convincing evidence, the Board finds that Applicant has failed to demonstrate that she meets the education requirements necessary for a P-LPC license established by Section 73-30-9 (1) (f) and 30 Miss. Admin. Code Pt. 2201, R. 4.2(C).

Given the entire evidence produced in the record, the Board issues the following order:

FURTHER ORDERED that this decision and opinion shall be a final order of the Board and shall be conclusive evidence of the matters described herein.
